

Court of Appeals of the State of Georgia

ATLANTA, September 21, 2026

The Court of Appeals hereby passes the following order:

A26A2504. CAROLYN WRIGHT v. R & R ATLANTA, LLC.

The appellant's case was docketed in this Court on July, 16, 2026. The appellant failed to comply with the notice of docketing mailed by this Court and with Court of Appeals Rule 23 (a) directing that the enumeration of errors and brief be filed within 20 days after the appeal is docketed, or within any time permitted by the Court's grant of an extension to file.

Subsequent to the failure to file within that time period, this Court ordered the appellant to file an enumeration of errors and brief no later than August 24, 2026, or absent an extension for good cause shown, the appeal would be dismissed instanter without further notice and subject the appellant and appellant's attorney to contempt of this Court. As of the date of this order, the appellant has failed to file an enumeration of errors and brief, or shown good cause for such failure.

Accordingly, the appellee's motion to dismiss is GRANTED, and the above-style case is hereby DISMISSED. See Court of Appeals Rules 7, 13, and 23 (a).
